Mountaineers To Meet Babbitt As Second Game Lost

Fallon Legion Boys Win Their First Game Here Sunday

While the Truckee Mountaineers retained a firm hold on second place in the Sierra Nevada Baseball League they dropped a game Sunday on the local park to the youngsters of the Fallon Legion 3 to 1.

The game was the second lost by Truckee and the first won by the Fallon boys. The latter range in age from 15 to 18 and played a bang-up game, holding the Mountaineers to five scattered singles.

Much of the success for the winners was the pitching of 15-year-old Leavitt, who struck out 12 batters. Otis Cluck was the only local to get two hits off Leavitt, with Cooper, Stewart and Pello each getting one.

Ernie Pello, who did mound duty for the locals allowed only eight hits and struck out two batters. Truckee committed four errors and Fallon 3.

Truckee took the lead in the second inning and things were buzzing along hopefully until the seventh when two Fallon runs scored. The final tally came in the ninth when Bailey, Fallon's husky center fielder smashed a four-bagger over the left field fence.

It was a good game, well played by both teams and was witnessed by a large crowd of fans.

This Sunday Truckee goes to Babbitt to meet the third place Bandits.

The short score:

	R	H	E
Fallon	3	8	3
Truckee	1	5	4

Beavitt and Weavers, Wood; Pello and Stone.

Square Dancers To Be Here On July 20

The third annual July Jamboree, the Tahoe-Truckee area festival for square and round dancers, will be held July 20th in the High school gym at Truckee.

Square dancers from all over the Sierra Nevada region are joined by dancers from Western Nevada, Northern and Central California for a Sunday afternoon of music, dancing and fun. Vacationers, residents, and visitors from many clubs are welcomed at this mountain frolic.

The hosts are the Tahoe Twirlers of Kings Beach and the Donner Dancers of Truckee. The festival starts at one o'clock and the dancing lasts until five. Donner State Park is available for those who want to have an outdoor picnic after the dance.

FORESTERS ALARMED BY BEETLE EPIDEMIC

Foresters in the North Lake Tahoe area are viewing with some alarm the epidemic of Pine Beetle which has destroyed thousands of trees in the area.

C. S. (Butch) Beavers, operator of the Sierra Tree Service at Kings Beach, reports he has been busy removing and burning many of the infested trees and said that while it is impossible to cure the spreading disase, it can be controlled by removal and burning. If allowed to spread, however, it will continue its path of destruction.

Beavers said he would be pleased to consult with anyone desiring information on the problem.

VACATIONER DIES ON TRIP TO WEBER

The body of Conrad Jack Anderson, 57, who died following a heart attack while vacationing at Weber Lake on July 4, was sent to Sacramento this week by the Truckee Colonial Mortuary and funeral services were held there.

Anderson, born in Oregon December 2, 1900, had been a pressman at the state printing office in Sacramento for the past 20 years. He is survived by his wife, Madeline.

MOTHER OF LOCAL TEACHER EXPIRES

John Stevers, teacher of the fourth grade in the Truckee elementary school, flew to Branchport, New York, July 3 upon receipt of word that his mother, Mrs. Edna Stevers Cook, has passed away. The deceased had been in failing health for some time.

Stevers' father, Patrick, resides in Reno.

VETERAN RANGER VISITS SON HERE

F. A. Wilson of Nevada City visited Wednesday with his son and daughter in law, Mr. and Mrs. Fosten Wilson.

The visitor came from Placer County to Truckee 45 years ago to take over the position of forest ranger in this vicinity and now lives in his family home that he had previously built in 1897.

Smith Named To Head New Group For Development

C. Z. Smith was elected chairman of the Nevada County Redevelopment Agency at the organization meeting held last week at the office of the Truckee Public Utility District. Regular meetings of the group will be held the second Tuesday of each month at 7:45 p.m.

Other officers chosen were James Warnke, vice chairman and Dr. Robert Affeldt, secretary. Mrs. Nancy Roberts is the ex-officio secretary for the group. Other members are Charles Osburn and Ed Hellar.

Meeting with the agency was Richard Mitchell field representative for the Urban Renewal Administration from San Francisco, who is instructing the agency on procedure. He explained that the first step required and one upon which all future activities will be based, is a workable and comprehensive program. This is being worked out by the local group.

Also attending were John Jamison, state housing official, Gus Parsons, clerk of the Nevada County Planning Commission and Cecil Edmunds, chairman of the later organization.

The agency was formed to provide a redevelopment housing program in this area, but its scope includes the entire county, Smith explained.

Three Accidents During Holiday

Despite the unusually heavy traffic in this district during the holiday weekend, no serious accidents were reported and no arrests were made for drunk driving.

Sergeant Frank Snyder of the California Highway Patrol said there were two injury accidents in which three people were hurt, none seriously. There were 75 moving violation arrests and three were booked for violating the county sobriety ordinance.

William Moore, 54, Oakland, and his wife, Isabel, 48, were treated at the Tahoe Forest Hospital Friday night after the car they were driving ran off Donner grade. Moore was cited for speeding and not having his vehicle under control.

Saturday night James B. Petterson, 49, of Oakland suffered minor injuries when his car overturned on the highway near Carnelian Bay. He was cited.

ditional men, Patrolmen Charles White of Sacramento and H. B. Westley of Baxter assisted the local patrol during the busy holiday.

TAHOE PARK LAND SOLD FOR $175,000

TAHOE CITY—A sale of approximately 240 acres was made July 3 at Tahoe Park, land in section 13, known at Tahoe Park Heights, at a price in access of $175,000. The property belonged to the George W. Mortimers and was sold to M. Sherman Bliss and associates, to be subdivided, with roads under construction.

It is planned to make this into a de luxe subdivision where the owners will have beach and park privilege, according to C. S. Beavers who represented the sellers in the transaction. Ed White was the buyers representative.

M. Sherman Bliss has recently completed development of Rubicon Park subdivision.

MARY ELLEN HUNTER TO HEAD GIRLS ORDER

Miss Mary Ellen Hunter, daughter of Mr. and Mrs. William Hunter of Lake Forest and Lodi will be signally honored tomorrow when she is installed as Grand Royal Princess of the Order of Sunshine Girls, for the state of California.

The ceremony will take place at a convention of the Pythian order being held at Lodi and more than 200 delegates are expected to be present.

Miss Hunter will be a high school senior this year and has been named editor of the Lodi Flame, the school paper.

Build New Home

Mr. and Mrs. William Benish, newcomers from Oroville are building a house at Gateway Park in the vicinity of the Tahoe Forest Hospital.

Benish has recently bought the Gateway Garage from Harry Barnes.

Detour Opens As Work Advances On Highway Work

Rerouting On Reno Road Will Continue Until Highway Built

The division of highways said today that traffic on Highway U.S. 40 began a detour between .8 mile east of Hirshdale and .8 mile west of Floriston on Monday, July 7. The 2.8 mile detour was scheduled for completion July 3.

The detour, constructed by H. Earl Parker of Marysville at an approximate cost of $564,000, will route traffic on this major transcontinental route around the freeway construction now underway between Boca and Floriston, Motorists will continue to use the detour route until such time as a new freeway is ready to handle traffic some time next year.

The detour will provide two 13-foot surfaced lanes for traffic. The route will cross the Southern Pacific Railroad at two locations and will also provide two crossings of the Truckee River. An additional width of 11 feet has been provided at the railroad crossings to accommodate vehicles that must come to a stop at such points.

Motorists are reminded that although the detour is an excellent section of two-lane mountain road, that it cannot be driven in the manner as the four-lane freeway that it joins on the eastern end.

Francis W. Comarsh served as resident engineer for the division of highways during the completion of the detour route.

Swim Lessons At Lake Start July 21

The Red Cross swim program for the Lake Tahoe area will start July 21, the school bus will pick up the children, starting at Tahoma at 8:30 A.M. and will continue along the way to Kings Beach.

Intermediate swimmers class will begin at 9:30 A.M., the bus to return immediately and then pick up beginners of all ages at 11:30 A.M.

This is a temporary program schedule as Miss Phyllis Carter, the swimming instructor will give the pupils their future times for the lessons.

Elmo Moriano again offered his swimming pool at Donner Summit but because of heavy traffic and delays it became necessary to seleet places in the immediate areas.

The offer was greatly appreciated by the organization.

LOCAL GIRLS INVITED TO ENTER CONTEST

Leonard L. Gilbert, publicity chairman for the Junior Chamber of Commerce Maid of California contest at Grass Valley, has called attention to the fact that entries will be received up to July 21.

Anyone is eligible to nominate an entry and the age group is from 16 to 26, single.. Judging will be as follows: 80 per cent beauty; 10 per cent poise and 10 per cent personality. Names should be sent to P. O. Box 1444, Grass Valley.

There will be prizes for first, second and third place and the winner will be sent to Sacramento to compete in the Maid of California contest at the state fair.

TREASURE BALANCE IN COUNTY DROPS

Nevada county treasury balance at the close of the fiscal year June 30, 1958, was $90,000 less than the balance at the close of the previous year, County Treasurer Elma Hecker, declared in her annual statement.

The county closed the year with a balance of $1,209,823.95 against a balance of $1,298,863,88 for the previous year.

The revenue of receipts for the fiscal year amounted to $4,894,-763.93 as against expenditures of $4,983.805.86.

Highway 50 Hearing

The division of highways today announced that a public hearing wil be held at the American Legion Hall at Tahoe Valley at 10 a.m., August 13, to discuss the routing of a freeway on Highway 50 from Meyers to the Nevada state line. At the same time the routing of State Route 89 from Tallack Creek to Highway 50 will be under discussion.

SUNBEAMS

By WALTER M. BARRETT

A bouquet this week to the Donner Lake Volunteer Firemen and the Auxiliary. Committees and officers from these two infant organizations have done a terrific job in planning the Ninth Annual Donner Lake Regatta to be staged Sunday at Donner Lake. The firemen and their wives started two months ago preparing for the event. As time passed their efforts were accelerated and now on the eve of the affair, everything is in readiness. The program gives promise of being the biggest ever held and the carnival and other events scheduled for Saturday and Sunday are sure to attract the deserved attendance. The races are a great community benefit and worthy of the support they received from local and nearby business people.

Traffic over Highway 40, despite numerous road construction projects, continues to gain in volume each month and the weekend of the Fourth taxed the inadequate facilities. However, the percentage of accidents was down and only two injuries mishaps were reported. This, we believe can be credited to two things, first the alert policing of the highway patrol and secondly to the fact that speeding was impossible because of the heavy flow of traffic. The police issued nearly 100 citations for violations, kept drivers in line and as a result this district can be proud of the record.

Work Is Started On Lake Shortcut

The division of highways said that construction work has started on the reconstruction of the Truckee-Kings Beach shortcut, a federal aid secondary route at the north end of Lake Tahoe. The construction zone extends from the Nevada County Line to 5.6 miles northwest of Kings Beach.

The project, when completed, will provide 4.4 miles of two-lane highway twenty four feet wide. The construction is generally on new alignment near the present road.

Work on the project is being done by the Granite Construction Company of Watsonville who submitted the low bid of $296,227 for the contract in mid-June. Local traffic is permitted to pass through the construction area with a minimum of delay. Through public traffic is being detoured over existing state highways during the construction period. The work is expected to be completed by the early part of November.

Dennis Smith of the Placer County Road Department will serve as resident engineer during the period of construction.

$588 REALIZED FROM RED CROSS DRIVE

The sum of $588 was realized in the current Red Cross fund drive, according to Mrs. Fred Pedley. George Kaspian, chairman of the drive and a group of volunteer workers received a vote of thanks for their efforts, by the organization.

Mrs. Russell York Feted At Farewell Reception

Mrs. Russell York who will soon leave with her husband and children for Greenville, was feted at a party Wednesday composed of members of the Monday Card Club.

The guest of honor was presented with a gift and the group had a dinner of Chinese foods at Lake Tahoe.

Former School Official Is Visitor In District

Everett O'Rourke of Belmont is a visitor this week in Truckee and at Lake Tahoe.

O'Rourke was former superintendent of the district schools here before going to the bay district.

At Joerger's Ranch—

Mr. and Mrs. J. E. Joerger and family of Folsom are staying at their local ranch.

Lushenko Again In Trouble With Law; Man Beaten

Man Accused Of Theft In Truckee Accused Of Assault

Ronald Wayne Lushenko, 27, of Sacramento, who was involved with the law here last year as a result of the theft of a boat and motor at Donner Lake, is again having troubles, according to a report from Auburn where he was arrested for the alleged beating of an aged man.

The Nevada County jury disagreed following the grand theft trial and Lushenko's second trial is pending.

Sheriff William A. Scott said John Vincent Santilli, 69, positively identified Lushenko and Eddie Steve Sessa, 23, both of Sacramento, as the men who nearly beat him to death in his home Friday night.

Santilli made the identification from his county hospital bed. He is on the critical list with numerous bruises and lacerations, broken ribs, a punctured lung and possible concussion.

The elderly pear rancher was found tied and beaten in his small cabin in the Shirland Tract, three miles south of here, when officers responded to a call that a fight was in progress.

Scott reported Santilli, when he saw Sessa, declared, "that's one of the men" and identified Lushenko as the man who wielded a two foot long rubber hose with a metal center.

Santilli earlier told Lieutenant H. C. Bretschneider he answered a knock at his door and found a man there. Santilli declared the man first said he smelled smoke, then asked for a glass of water, but when offered the water, started hitting him with a two foot long "whip."

The second man, Santilli continued, held a gun.

The two men have denied the beating, but, Sheriff Scott said, cannot give adequate explanations as to why they were in the cabin wearing blood stained clothing. They were scheduled to be arraigned in the justice court.

SEVERAL ARE CITED FOR FISH VIOLATION

Game Warden Ervin Single had a busy holiday weekend and as a result six citations for violations of the fish and game code were issued.

Three of the accused were arrested for not having angling licenses and three for fishing too close to a dam.

In the former category were Hiran C. Horton, Hayward; Rosalie Mahakian, Castro Valley and Carl R. Swanberg, Concord. Roland E. Smith of Fairfield was cited for fishing too close to the Donner Lake Dam and E. M. McGrath and Paul F. Mayer both of El Segundo were tagged for fishing too close to Boca Dam.

All will appear before Judge F. W. Wilson.

LOCAL ENGINEER IS GIVEN PROMOTION

John Petersen, who had been project engineer on the Floriston to the Nevada state line freeway job, has been advanced in position and now is a district construction engineer assigned to the Marysville office of the division of highways, District Engineer Alan S. Hart announced.

Petersen is in charge of general administration and personnel. He has been replaced on the Floriston project by Edwin Whitnack.

RUNAWAY GIRLS ARE APPREHENDED HERE

Two 13 year old girls who had left their homes in Santa Ana to visit the mother of one of the pair at Reno, were apprehended here early Tuesday morning by Deputies Sherlff Roger Johns and Emery Lander and taken to Nevada City to await disposition of their case. The two had been picked up by two men in a car and stopped here for a meal when they were questioned by Johns.

It was determined that one girl's mother had been in Reno but had returned to Santa Ana. The two men were questioned but not held.

Mrs. Henry Toccalini was admitted as a patient last week in Tahoe Forest Hospital has now returned home.

Fires In Area Are Extinguished By Forest Service Men

Two potentially dangerous blazes in this area on Monday were quickly extinguished, according to Henry Toccalini of the Tahoe Forest Service. A call was turned in at six o'clock in the morning, the fire, starting from hot ashes in front of the Frieze house, located directly back of the N. F. Dolley place at Donner Lake.

The Forest Service suppression crew and members of the Donner Lake Volunteer Fire Department and the Truckee Volunteer Fire Department responded, holding the damage to a small patch of grass and no damage to the dwelling.

The same afternoon some damage to telephone cables and a small area of grass was started on fire by sparks from the right of way burning just south of Big Chief Camp at Pole Creek. The Forest Service crew quickly suppressed the incipient conflagration.

Sportsmen To See Deer Migrations

Much of the mystery of the migration of deer herds may have been solved through the efforts of the Nevada Fish and Game Commission and tomorrow (Friday) evening at 7:30, those interested will be given an opportunity to learn many details at a meeting of the Truckee Outdoor Sporsmen at Capitol Hall.

Melvin E. McDowell ,information officer for the department, will show sound documentary films taken by his organization showing when, where and how the herds migrate and what is being done to manage them.

Charles Osburn, who arranged for the showing, said this will provide a rare opportunity for sportsmen to learn more about deer and urges a large attendance to all interested people. Frank Fox will preside at the meeting.

Osburn also said a discussion will be held relative to the annual back country outing sponsored by the Sportsmen. It is planned to leave Saturday, July 19 and return Sunday. A barbecue and other features will provide the program and anyone interested in making the jeep trip is asked to contact Osburn at his Flying A Station.

RACE BADGES WILL BE SOLD LOCALLY

TAHOE VISTA — One of the advertising and fund raising ideas for the sixth annual Lake Tahoe Mile High Regatta to be held off the Tahoe City Commons on July 26 is the sale of huge badges by the committee in charge.

J. D. "Andy" Anderson, secretary-treasurer, said that since the races are a community affair all those interested in supporting the area should get behind the badge sale, including merchants, motel and hotel operators as well as individuals.

He expressed the hope that Truckee would join in the spirit of the affair and buy buttons which sell for $1 each. Andy's Boat Rental at Tahoe Vista can be contacted for the buttons.

Marlan Visel of Sierra Boat Company is president; Fred Main of Tahoe Boat Company, vice president and Anderson, secretary-treasurer, Charles Mapes of Reno is chairman.

MAYNARD PRESIDES AT ROTARY MEET

Newly installed President Carroll Maynard presided at his first meeting of the Truckee Rotary Club at Donner Lake Lodge Monday night.

The evening was devoted largely to the coming year's program and the policies being adopted by the new president.

On the previous Monday, Dick Swanson was demoted as president at a ladies night party held at the lodge.

Piano Tuner Plans To Make His Home Here

Mr. and Mrs. Herbert Collins of Keohuk, Iowa, are visiting here with their daughter, Miss Winifred Collins, a teacher in the Tahoe Truckee High School. Collins is a piano tuner by profession and indicated he might make this his permanent home if there is a sufficient demand for his work.

Donner Regatta Will Be Held At Lake This Sunday

Carnival Saturday To Be Feature Of Weekend Activities

No detail has been omitted to make the ninth annual Donner Lake Outboard Regatta the biggest on record.

Starting with a carnival on the beach at 1 p.m. and a barbecue from 4 until 7 p.m. Saturday, and a dance at Donner Lake Lodge Saturday night at 9:30, the affair promises to provide two days of gala entertainment for the thousands of spectators expected to attend to witness the fastest outboards and the nerviest drivers in the west.

Heading the committees in charge are Dr. Robert W. Affeldt, president of the Donner Lake Volunteer Fire Department and Mrs. Dan Horman, president of the Ladies Auxiliary.

Charles O'Bear is the boat race chairman and Mrs. O'Bear is supervising the barbecue committee. Other supervisors include Tom Bonano and Roy Slate who will be in charge of trophies and advertising. Bonano and Dan Horman are supervising the carnival booths and concessions and James Warnke is preparing the judges stand and race courses. Dr. Affeldt is head of the decoration committee while Scruggs and Creegan are on the cleanup detail.

In commenting on the work in preparation for the race, Dr. Affeldt said: "The ladies of the auxiliary and the firemen have all helped tremendously to put this program over."

The carnival which will start at 1 p.m. Saturday will continue throughout the two days.

The races will start at 10 o'clock Sunday morning with 11 events scheduled and the trophies will be awarded in the evening at Donner Lake Lodge. The regatta is to be conducted by the Northern California Outboard Association and is sanctioned by the American Power Boat Association.

One of the methods of promoting the races was the 2000 20-page souvenir programs prepared by the sponsors and contributed to by scores of local and nearby business people. The firemen and auxiliary expressed their appreciation for the cooperation received in making the event possible.

Gateway Sewer Work Is Delayed

Due to a technicality in bidding, the governing board of the Truckee Sanitary District is taking advantage of the 15-day study period before awarding or rejecting bids for the construction of a sewer disposal system at Gateway Park.

Two bids were received, one in excess of $73,000 and the other approximately $44,000. However, the latter was received a day late and the board is determining whether both shall be rejected and a call made for new bids, J. J. McGlade, Board Clerk, said.

If both bids are thrown out it will be another month before work could be started on the highly important project.

TAHOE RACE DRIVER IS HURT IN ACCIDENT

Roger Murphy, younger son of the J. Philip Murphys of Tahoe and Piedmont, was injured Friday and his hydroplane, "Galloping Gael" was demolished during a race at Long Beach.

The Gael was travelling in excess of 100 miles per hour when it "kited" and wrecked. Murphy was hospitalized for severe bruises and shock.

Three years ago the young pilot was named outstanding driver of the meet following the Mile High Regatta and the Gold Cup at Lake Tahoe.

DONALD MATTSON IN MANEUVERS AT BAY

Donald A. Matson, fireman, USN, son of Mrs. Roy R. Waters of Truckee, aboard the radar picket destroyer USS Dennis J. Buckley, took part in the First Fleet visit to the San Francisco bay area July 3-7.

The visit commemorated the 50th anniversary of the visit of the Great White Fleet to San Francisco during its cruise around the world. A full-scale Naval review was staged as the fleet entered the bay.

Following a long weekend of recreation, including many civic sponsored events, the fleet put to sea on July 7 for a five day striking force exercise, code named "Blue Bolt."

FOX CATCHES HUGE MACKINAW IN LAKE

Frank Fox, superintendent of Highways in this area, proved his prowness at fishing by landing a 19 pound Mackinaw on Saturday from the Jack Waggoner pier at Donner Lake.

To prove the claim to any possible doubting Thomas, Fox had the haul recorded on film.

AFFAIRS OF STATE
by Henry C. MacArthur

SACRAMENTO (CNS) — California motorists can look for additional drives when the 1959 session of the state legislature comes along, to again change the laws affecting the issuance of driver's licenses by the state department of motor vehicles.

At the 1957 session, the legislature provided that a photograph of the holder of the license be imprinted thereon, and all new licenses issued now are following that pattern. It takes a couple of weeks for the applicant to receive his new license through the mail, but the time is not too important as a temporary license is issued while the new one is in process.

As the California Highway Patrol is becoming more and more particular concerning driver's license, it might well behoove those persons whose licenses are about to run out to pay particular attention to the dates the reon.

Neglect in applying for the new license for a period of thirty days after the old one has expired carries with it a penalty. The penalty, according to the department of motor vehicles, is the issuance of a two year, instead of a five-year license.

The new license will cost the applicant $3 instead of the previous $2. It will expire on the applicant's birthday in the year puched on the license.

If a person happens to get a new license punched for the birthday two years hence, instead of five years, it may be a little confusing. However, all the person needs to do is recall whether or not he had two "moving violations" of the motor vehicle code during the past two years, and if so, he gets two, instead of a five-year license. This is part of the penalty for violating the motor vehicle laws.

In other words, the legislature has decreed that the motorist should be fined twice should he violate the motor vehicle laws by speeding, running a stop sign, or other moving violations. All convictions are transmitted to the motor vehicle department, and the application is checked against the applicant's file before the license is issued.

Getting technical, it would appear that this is putting an applicant in double jeopardy, but in any event, it is forcing the applicant to pay twice for his dereliction, even though the amount be small, and the violation inconsequential.

Even with the improvements in the licensing system, there still are factions not satisfied. The California Grocers Association favors now the use of a plastic plate, which would not be alterable. This of course, is for the benefit of the grocery stores which cash checks, and want a definite identification.

Some stores already, it is reported, are saving thousands of dollars on bad check losses because of the new licenses with thepictures, but it is somewhat difficult to determine just why the taxpayers should be required to pay for protecting check cashing agencies. Plastic plates would increase the costs materially.

MARTIN SPITSEN IS TAHOE ROTARY HEAD

TAHOE CITY — Tahoe City Rotary Club's president for the fiscal year beginning July 1 was installed at the luncheon meeting at Tahoe Inn. He is Martin H. Spitsen, the past vice-president.

Basil Kehoe, acting as master of ceremonies, commended Warren Porter for his accomplishments as president during the past year and presented him with the usual diamond studded gold pin for outgoing presidents. In response, Porter thanked the members for their cooperation and expressed his hope that good fellowwould continue and Porter said: ship under the new president "try being friendly with any one you dislike and see how it pays off, I have tried it and found a great satisfaction."

COUNTY GETS BIG FUND FROM STATE

SACRAMENTO (CNS) — State Controller Robert C. Kirkwood announced the apportionment of $106,623,958 to cities and counties and the state highway fund from highway users taxes and motor vehicle license fees.

Of this amount, $85,714,130 was apportioned from highway users taxes in June, including $22,734 for Nevada county.

The apportionment of $20,909,828 for the local share of motor vehicle license fees collected during the six-months period ended May 31 was in addition to an advance apportionment of $72,942,594 made April 1 under a new law which took effect this year. A total of $110,998,654 was received in vehicle license fees during the 1957-58 fiscal year.

The net motor vehicle license fees apportionment for Nevada county in June was $19,641. Kirkwood said $68,5117 had been apportioned in the advance payment in April, making a total apportionment for the county of $88,158 for the six months.

RABID FOX BITES BOY AT AUBURN

AUBURN—Dr. Richard F. White, director of the Placer County Health Department reports that a rabid fox was brought to the attention of his department last month. This was the first officially reported fox case in the departments history.

The fox, about the size of a grown cat, was found by 14 year old Bill Elam in a field near his home in the Mount Vernon area. Since it appeared harmless, the boy captured the fox and brought him home as a pet; however, in a short period of time the animal became ill and died. The animal's brain was examined by the state department of public health and proved positive for rabies.

Unfortunately, Bill Elam in his contact with the fox, received a bite on his hand and now must undergo the unpleasant, time consuming series of injections of the Pasteur treatment.

Dr. White warns that people should be wary of seemingly harmless wild animals such as skunks and foxes, for these animals may be incubating rabies. If any one is unfortunate enought to be bitten by such a wild animal, he should make every effort to capture the animal so that it may be observed for signs of development of rabies.

If you are one of California's seven million motorists, you should carry a trash bag in your car; don't discard trash along the highways.

BROWN SHOWN FAR AHEAD OF SENATOR

SACRAMENTO (CNS) — Secretary of State Frank M. Jordan announced tabulation of election returns thus far showed Attorney General Edmund G. Brown, Democratic candidate for governor, carried the popular vote in 53 counties.

Sen. William F. Knowland, GOP governor candidate, carried but five, Jordan said.

Jordan said tabulation " proceeded to the point where we can now definitely state the following candidates have won the popular vote in the number of counties listed:

Brown 53, Knowland 5; Powers 33, Anderson 25; Jordan 52, Lopez 6; Kirkwood 36, Cranston 22; Button 24; Betts 34."

PLACER FAIR WILL BE HELD AUG. 7 - 10

ROSEVILLE — A record of $40,530 in cash awards has been offered exhibitors during the Placer County Fair, scheduled August 7-10, it was announced by John Macario, president.

The total eclipsed a former high of $37,256, offered in 1956, Macario said.

Seven individual highs have also been established, including $4,157 for Future Farmers of America, $2,955 for feature booths, $1,320 for floriculture, $3,088 for senior home economics, $4,196 for open division beef, $6,528 for open division dairy cattle, and $2,195 for horticulture.

Premium books showing complete detail in awards and rules for entries are available at the fair office, or by writing to the Placer County Fair, Box 710, Roseville.

Brokers At Lake Are Organized

KINGS BEACH — The organization of the real estate brokers of the north and west sides of Lake Tahoe, was completed at the meeting held at Homewood Lodge on Wednesday July 2nd. M. H. Dodd, chairman of the organization committee, presided.

The original tentative name of North Tahoe Realty Association was changed to Tahoe-Sierra Realty Association. It is planned to have all members of this association ultimately join a board of directors; application for membership in the state and national boards was authorized.

By-laws drawn up by the organization committee, was adopted and signed by 25 as charter members. Election of officers was held and the following men were elected for the year ending June 30, 1959: president, Dave Gaynor; vice president, A. J. Ketman; secretary-treasurer, Ira Blair. Dodd installed the officers and turned the gavel over to the new president.

Gaynor suggested that a note of thanks be given Mr. Dodd for his fine work in organizing the group; such a notion was made and carried unanimously.

Many problems of Tahoe brokers were discussed, and committees appointed to handle advertising and publicity in educating the public to "Pick your Broker as you would your Doctor or Lawyer," and recommended the choice of a member of the Tahoe-Sierra Realty Association. The members voted unanimously to remove all real estate signs in the area. It was also voted to have associate salesman members.

Gaynor announced that he would call a special meeting some time soon to name active committees; otherwise meetings were adjourned until the first Wednesday in September.

Charter members of the Tahoe-Sierra Realty Association are: brokers, Bonnie Barnett, Charles Beardsley, Ira Blair, Al Conley, M. H. Dodd, B. A. Gallagher, Bob Garrow, Dave Gaynor, W. E. Gray, Wm. G. Hasle, Wm. F. Henry, Max Hoff, Melvin F. Jones, A. J. Ketman. Ed S. Malley, Fred Nyquist, Lynwood E. Ribal, James V. Sergi, Harry Stubley, Don O. Stumbo and Jim Wheat (Cournale & Co.). The salesmen are: Jack Brown, Henry J. Daft, Virginia Morrow and Fred Schultz.

DEALER IS SHOT AT LAKE BY HUSBAND

KINGS BEACH — Gambling Casino dealer Michael Gary, 35, is in a Reno Hospital with a bullet wound in his groin while Edward Driscolle of Kings Beach is held on a charge of shooting him because, officers said, of attentions to Driscolle's wife.

The gunplay took place in front of a motel on the main street.

Driscolle, 32, was arrested immediately after the shooting by sheriff's Sergeant John Rabska and Deputy James Baker. He is held in the county jail for investigation of assault with intent to do great bodily harm.

Sheriff William A. Scott said Driscolle admits firing three shots at Gary with a snub nose .38 caliber revolver, hitting him once.

The shooting took place as Gary and Driscolle's wife, Mille, 20, left the motel where she is living. Accordnig to Scott, Driscolle said he waited in front of the motel until the couple came out, then took a gun from under the seat of his car and approached them.

Scott quoted Driscolle as saying he fired once as Gary lunged at him, then fired twice more.

Scott said Mrs. Driscolle declared Gary, an employe of a gambling casino in Crystal Bay, Lake Tahoe, stopped by the motel to invite her to go swimming.

The Driscolles, formerly of Corpus Christi, Tex., have been at Lake Tahoe four weeks. Driscolle is unemployeed.

MYSTERY SURROUNDS MAN FOUND INJURED

KINGS BEACH — The mystery of Ben Stewart Davidson, 32-year-old Los Angeles visitor to Lake Tahoe has California and Nevada authorities wondering.

Davidson was discovered unconscious in a manzanita bush 30 feet from the road. A car was found 20 feet farther down the canyon, leading to speculation he was thrown from the car as it went over the embankment.

Still in a groggy condition at Washoe Medical Center, where he was taken for examination, Davidson claims he was struck by a car as he was crossing the road.

The vicim suffered two severe scalp wounds which could account for his story of being struck. X-rays showed no signs of a fracture.

Lake Tahoe authorities are investigatin the incident and a check is being made on the ownership of the car found at the scene.

California leads the nation in foreign car sales.

Nine times out of ten, grass, brush and forest fires are mancaused. Be careful with fire of any kind this summer.

Richard Henry Dana visited San Fransico Bay in 1835, describing his experiences in "Two Years Before the Mast."

NEWS NOTES FROM TAHOE
by MYRTLE CARNELL

SUCCESSFUL FOURTH

Due to the efforts of the Volunteer Fire Dept. to keep fireworks in the area controlled by giving a spectacular fireworks display there were very few incidents of firecrackers being set off in the area. The show had a tremendous turnout and although quite a few of the rockets failed to go off the show was still a success. Two of the outstanding displays were the American Flag and the Waterfall. The water skiing exhibition added to the excitement of the occasion.

Many hours and a lot of effort on the part of the volunteer firemen went into this show to make your Fourth of July a pleasureable one. They were not only on the ball this occasion but throughout the year they do their best to keep you and your family safe from fire. From all of us in the area a statement of appreciation and thanks for your fine efforts fellows. Also on hand and assisting with the fire works display were the Placer County Sheriff's Dept., California Highway Patrol, Tahoe City Women's Club, Boy Scouts, Rotary, Sunnyside Boat Co. and Bob Pomin.

SLOW BUT SURE

In case you haven't been down to the Commons lately, the beach project is still under way and to date we now have a safe roped-off area for swimming The tables have been painted, area cleaned, and boating area controlled. Sand will be dumped on the beach area this summer, but the beach committee felt it wise to wait until after the Gold Cup Races when boat grease, etc. will be in the swimming area. So if you were thinking of contributing to the effort it is still in swing and your help will be appreciated.

IN HOSPITAL

Alma Guth called the other day to tell me that Victor Wikander, long time summer resident had a slight stroke last week and was taken to Sacramento, where he became more ill and was rushed to the Sutter General Hospital where he is in critical condition. Mr. and Mrs. Wikander were guests of Howard and Alma Guth at the Tahoe Lodge the past two weeks previous to the attack. They always spend several weeks each summer with the Guths before going to their cabin on Buck Island Lake of which they have been summer residents for the past forty years or so. At one time they were caretakers at the St. Shore place outside of Tahoe City, and Victor Wikander is well remembered for his great cross country skiing. For any of his friends that would like to drop a card, the home address is 1055 Warfield Ave., Oakland 10, Calif. and the hospital is Sutter General, Sacramento.

WATER BALLET AND FASHIONS

A very well pleased crowd gradually drifted away from the Tahoe Tavern Pool the afternoon of the fourth after witnessing a lovely water ballet and fashion show. Carole Levy did an outstanding job with the choreography and directing of the show and is to be congratulated. We need more of this type of show in the area. What more beautiful surrounding for a water ballet could be found anywhere. The Riviera's fashion show, commentated by Betty Wing Concanno and musicall accompanied by Dick Foys Orchestra was very well received. The chemise, and trapeze dresses delighted the women, but the men are still not completely convinced about this new look.

FIRE PHONE—FIRE CALLS ONLY

The fire phones in this area have been set up for the quickest possible handling of answering fire calls. These are to be used only for calls reporting fires or ambulance calls and are not to be used for information centers as to where the fire is. If you tie up these phones with needless calls it could cause serious damage. Also I've heard gripes around town about the practice of ringing of the fire alarm, frankly I would much prefer to listen to a few practice runs to know the alarm is in order than to have it not ring when I needed it. All of the volunteer firemen are working for your safety and deserve your complete cooperation. I've never seen men respond to a fire call as quickly as do the volunteers in the lake area.

Picture yourself in petroleum

Can you be dressed in oil? Certainly . . . from head to foot you can wear products that start with petroleum — even to perfume.

Petrochemicals are being put to almost endless uses — from lipstick to nylons, from detergents to vitamins. They dress you, help with the housework, keep you warm, protect your food, contribute to your recreation.

Standard pioneered in petrochemicals. From our millions of dollars invested in research came the basic chemicals for the first household and industrial detergents and the raw material for a new, miracle wrinkle-resistant fabric, creating whole new industries. As a major producer of the world's petrochemicals, our investment is continuing to provide new and better products for the benefit of everyone.

Petrochemicals are part of your life ... *clothing, blankets, rugs, upholstery fabrics ... shoes, hats ... cleansers, polishes ... cosmetics, drugs, germicides ... paint, printing ink, floor coverings ... plastics, adhesives, packaging and photo film ... racquet strings, phonograph records, fishing lines ... and many other useful products.*

4th IS GONE

Well, the 4th of July has come and gone with all of its happiness. Never was there such crowds at the lake. Crystal Bay Casinos were packed after a slow start. The lake was very generous to the fishermen and it was ideal for water skiing. Highway patrolmen and sheriffs were kept on the run continually. Oh yes, by the way, we have new deputies in the area. Besides John A. Rabska, sergeant, we have Howard Carnell, Jim Baker and Max Bennett who have started off doing a swell job.

VISITING

Wyman and Beverly Wiliams and their three small smart sons are up for the summer, and on Saturday Grandma and Grandpa Miedema arrived for a short stay.

Sophie Miedema celebrated her birthday at the Christmas Tree with her family. Many more happy ones Sophie.

AT HOME

Dick Erean of the Eastside Inn of Sparks and family were at their home on Brassie Ave. over the holiday.

HERE FOR HOLIDAY

Mr. and Mrs. Clarence Waldemer were at their home in Carnelian Bay over the holiday.

FROM RENO

George Harrison and family were also up from Reno with brother Sam and Audrey.

VISITORS

Andy and Alice Sorensen had as their visitors, Roy and Susie McMillen and son Gregory of Pasadena. Gregory is the grandson of the Sorensens. Loma and John Moore were also here.

INCREASE IN COSTS EXPECTED IN STATE

SACRAMENTO (CNS) — The state department of finance has directed all state agencies to expect price increases of about 2 per cent in etimating operating costs for the 1959-60 budget.

The department said there would be exceptions where prior trends, particularly those of the past year, indicate otherwise.

One example is in the estimated costs of new motor vehicles. The department estimates there will be cost increases ranging from $290 to $470 for the various types of passenger vehicles and trucks perchased.

"The policy of purchasing only the light class passenger vehicles will be continued in budgeting 1959-60," the department said. "The practice established last year of purchasing passenger vehicles and light trucks with automatic transmissions will be continued unless agencies specifically budget and request vehicles with standard gear shifts."

PROPER SPEED BEST TO AVOID ACCIDENT

SACRAMENTO — The proper use of speed is one of the best means of avoiding traffic accidents says the California Highway Patrol.

"Analysis of traffic accidents reveal that speed too fast for conditions is the leading contributing factor in the majority of traffic accidents," stated B. R. Caldwell, patrol commissioner. "Usually, drivers run traffic lights and stop signs, drive on the wrong side of the roadway, and violate auto or pedestrian right-of-way because they are driving at speeds to fast for existing conditions.

"Records indicate that 36.4 per cent of all violations noted in injury and fatal accidents last year in California were charged to exceeding stated speed limits or speed too fast for conditions," Cald well said. "The good driver recognizes the need for the prudent use of speed as a means of staying out of accident trouble.

"Obedience to the posted and prima facie speed limits is always necessary," he concluded. "However, many times speeds less than the prima facie or posted limits are required to avoid accidents potentials."

SIGNBOARD POLICY ASKED FOR PLACER

AUBURN — County planning commissioners have asked for a meeting with the board of supervisors to develop a policy on signboards along US Highway 40 freeway before allowing any new signs be erected.

The action came yesterday after commissioners turned down requests for four signboards along new stretches of freeway just to be erected.

Commissioners tentatively set a meeting with supervisors for July 9th to determine policy on signs.

PLACER WANTS ROAD BUILT INTO VALLEY

ANBURN — Placer County supervisors have ordered the drafting of a strong resolution directed to the Winter Olympic Organization Committee urging the committee to begin immediate construction of a new road into Squaw Valley.

The resolution came at the request of Supervisor L. L. Anderson, who asked the board to "put pressure on the organizing committee to get them to do something about the Squaw Valley road this year."

County road Commissioner Bruno Bacci told the supervisors organizing committee officials have indicated they cannot construct the road this year.

"But they plan to hold the junior Olympics there this winter," he said, "It puts the county in a peculiar situation. They were supposed to put in the road this summer.

"It is still a county road and the county responsibility. They say moneys are not available this year, and they are doing nothing."

Bacci pointed out road maintenance and snow removal will be up to the county until the new road is built and turned over to the state division of beaches and parks.

"But now they are leaving it up to the county to maintain the road and parking," he declared.

PATROL URGES SLOW CARS KEEP TO RIGHT

SACRAMENTO — Drivers who fail to keep right when driving slower than the normal speed of traffic on multi-lane highways are traffic law violators says the California Highway Patrol.

"Section 525.1 of the Vehicle Code requires a driver who is driving slower than the normal speed of traffic to keep in the clared Patrol Commissioner B .R. right edge as is practical," deright-hand lane or as near the Caldwell. "There would be less congestion and fewer accidents if all drivers would heed this rule.

"Frequently, cars pile up behind a driver loafing along in the passing lane, setting up accident potentials for every driver who endeavors to move with the normal flow of traffic," Caldwell said. "Frequently, the slow driver who sets up the hazardous situation is not involved in the accident, nor is he always aware of the consequences of his act.

"To eliminate this condition, motorists must stay in the right-hand lane except when preparing to turn left or while overtaking and passing another vehicle," he concluded. "It is well to keep in mind, that the driver who persists in driving slowly in the passing lane is a proper subject for a traffic citation."

FINNISH EDITOR IS TRUCKEE VISITOR

Truckee had a distinguished visitor Tuesday in the person of Olli Ohtomies, editor in chief of Kuva-Posti, a weekly news magazine published in Helsinki, Finland.

Ohtomies, who is on a five week's tour of the United States in the interests of his publication, was accompanied on a tour of Squaw Valley and North Tahoe by Lou Spitz, housing director for the 1960 Winter Olympics.

Ohtomies seemed well impressed with this area and took many pictures of the lake and Squaw Valley to be used in his magazine which is similar to the Look or Life magazines of this country.

In Helsinki the magazine editor, before becoming editor of Kuva Posti, edited a number of top-ranking pblications of Finland. He is vice chairman of Suomen Aikakauslehdentoimittajain Liitto and of Soumen Sanomalehtimieslitto. The former is the Finnish Magazine Editors' Association and the latter the Newspapermen's Association of Finland.

Relative to Protests

Blanks upon which to submit protests will be supplied free upon request.

Any person desiring to protest against the granting of such permit shall within 60 days from date hereof file with the State Water Rights Board, Sacramento, California, a written protest. Such protest shall clearly set forth the protestant's objections to the approval of the application and shall contain the following information:

1. Statement of the injury which would result to protestant from such appropriation and use.
2. The basis or protestant's water right.
3. Protestant's past and present use of water both as to amount used and land irrigated, or use made of wafer if other than irrigation.
4. The approximate location of protestant's land or place of use and point of diversion of the water.

A copy of the protest should be sent to the applicant and this office notified that the same has been done.

LAST RITES HELD FOR JOE CUPPLES

Funeral services were held at Reno Monday for Joseph (Joe) Cupples, 77, well known in Truckee, who died at Reno where he had made his home for more than a half a century.

A native of Ireland, he was employed by the Southern Pacific Co. from 1920 until he retired in 1943 as a section foreman.

He came to the United States in 1896 but returned to Ireland in 1902 to marry his surviving widow, Mrs. Margaret Cupples. He returned the same year.

Cupples was active in Masonic activities and the work of the Federated Church.

Survivors, in addition to his widow, include two daughters, Mrs. Myrtle E. Marsh and Mrs. Elsie Jones of Reno; a son, William A. (Aubrey) Cupples of Red Bluff, Calif.; a sister, Miss Mary Cupples of Reno; two brothers, David and Robert John of Ireland; and 12 grandchildren and great grandchildren.

UC MAN NAMED TO BE OLYMPIC AIDE

Joseph W. Hitchinson, principal superintendent of grounds and buildings at the Berkeley campus of the University of California, has been appointed plant superintendent for the 1960 Olympic Winter Games at Squaw Valley, it was announced today by Clark Kerr, president of the university, and Prentis C. Hale, president of the games organizing committee.

Hutchison, 48, will oversee operation and maintenance of the physical plant at Squaw Valley, including dormitories, the dining hall and recreation facilities for 1200 athletes in Olympic Village; the 11,000-seat ice arena; spectator centers, and press, administration and service buildings.

He will also supervise the receiving and warehousing functions, and be responsible for the control and maintenance of motor equipment.

At the University of California Hutchinson heads an employee force of 485 which cares for 1000 acres of grounds and 125 buildings.

Hutchison will be on leave from the University from March 1, 1959, through the Olympic Games, February 18-28, 1960. He will also work part time from September, 1958, to March, 1959, and for a short time following the close of the games.

See Races—
Mr. and Mrs. Harry Morgan of Death Valley and Myron Engle of Yerrington, Nevada, were guests of Mr. and Mrs. Frank Fox. The group attended the auto races at Auburn where Harry Causey participated.

Home on Vacation—
Donald St. Claire, son of Mr. and Mrs. Anthony St. Claire of Donner Lake is home on vacation from Philadelphia where he is attending medical school.

Surgery at Reno—
Mrs. Jack Miller was scheduled to undergo an operation Tuesday at Reno and her friends are hopeful for her speedy recovery of health.

SIX NABBED HERE FOR BEATING MAN

Local officers stopped a freight train here at 1 a.m. Tuesday to take off six itinerants wanted for questioning in connection with the savage beating of another tramp on the train between Auburn and Alta. Two of the four were released as having no connection with the affair.

The victim of the beating said he was struck over the head with a bottle, robbed of his bed roll and clothing and thrown from the moving train. He was taken to Auburn for treatment and when he told of the beating, local officers were notified.

Three local deputies, Roy Waters, Roger Johns and Emery Lander were assisted by deputies Bud Rakala, Dick Carnell, and Jim Baker of Tahoe and Highway Patrolman Carroll Maynard. The beating took place in Placer County and the suspects were taken to Auburn.

SCOUTS AT SPRINGS

A theree days camping trip at Campbell Hot Springs over the 4th of July week end was enjoyed by members of Boy Scout Troop No. 7 and local guests. They were accompanied by Scout Master Percy Samme.

DROWNING VICTIMS BODIES RECOVERED

The body of Antonio Arouji, 39, of North Sacramento was found late Monday afternoon near Rainbow Tavern in the Yuba River about 40 feet from where he jumped into the water in an unsuccessful effort to save his niece, Josephine Perrea, 7, of Carlsbad, N. M. His body was found in 15 feet of water. The remains were taken to Quinn's Sierra Chapel in Colfax and later removed to Sacramento.

The remains of Preston Lane, who was reported missing May 4th near Cisco,, when his car was found in the Yuba River, was reported located last Wednesdty by Boy Scouts, who were camping near Lake Spaulding in Nevada County. The body was found about a half a mile above the headwaters of Lake Spaulding. Lane has a summer home at Dutch Flat and had been staying there when he made a trip up the highway to visit friends. His home was in Oakland.

AUBURN— The body of Josephine Perrea, 7, of New Mexico, who drowned June 29th in the Yuba River near Raibow Tavern, yas recovered Tuesday.

Tarzan

by EDGAR RICE BURROUGHS

THE FATEFUL INCIDENT CONCERNING JACKSON WAS OVER, AND TARZAN AND THE MAHARAJAH SOLEMNLY RETURNED TO THEIR BASE CAMP.

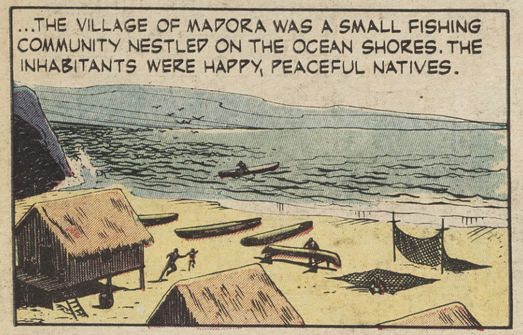

TARZAN LED THE SAFARI TO A SEAPORT. HERE THE INDIAN CHARTERED A YACHT FOR HIS HOMELAND.

THE APE-MAN NOW WANDERED UP THE COAST WHERE, UNKNOWN TO HIM, A GRIM AND TERRIBLE ADVENTURE AWAITED...

...THE VILLAGE OF MAPORA WAS A SMALL FISHING COMMUNITY NESTLED ON THE OCEAN SHORES. THE INHABITANTS WERE HAPPY, PEACEFUL NATIVES.

EACH MORNING, THE MEN OF MAPORA WOULD SAIL AWAY IN THEIR BOATS -- AND EACH EVENING THEY WOULD RETURN WITH THEIR FISH-- 7-13-1427

BUT ONE DAY THIS SIMPLE ROUTINE WAS SHATTERED BY DISASTER! PANIC GRIPPED THE FISHERMEN AND THEY ABANDONED THEIR BOATS TO ESCAPE FROM A MYSTERIOUS TERROR OF THE SEA-- THE TERROR OF *TA-HU!*
